Be the Boss: The best strategies for your leadership success

// By Simone Janson

What does a good manager have to be able to do today and in the future? An overview.

Leadership Today, Leadership Tomorrow: Where Do We Stand? An Assessment

The role of a leader has significantly evolved in recent years as the pace of change and complexity in the business world has steadily increased. This presents new challenges for leaders, and they are expected to possess different skills and strategies to succeed. Against this background, the concept of Be the Boss Edition has emerged, revisiting various leadership topics and interprets them in depth in the light of new strategies for leadership success.

To thrive in this ever-evolving environment, leaders must continually acquaint themselves with new leadership approaches that meet the demands of the modern business world and adapt them for their own work. This is precisely what this book series aims to do, outlining the key strategies and requirements for effective leadership in today's organizations across several individual works. By depicting the changing expectations of leaders and the necessary elements of successful leadership culture, the Be the Boss Edition provides valuable insights and guidance for leaders seeking their path to success in the evolving business world.

Each title in the Be the Boss Edition provides a comprehensive overview of its respective topic, catering to both beginners and sophisticated readers, along with numerous examples from leadership practice. The Be the Boss Edition specifically addresses the needs of professionals, executives, and decision-makers who are already in leadership positions or aspire to reach them. Through the additional materials, expansions, and offerings outlined in the introduction, we provide you with the opportunity to delve deeper into the numerous practical examples beyond the mere content. In this way, the Be the Boss Edition offers added value, enabling readers to not only read the book but also to use it as a tool for personal and professional development as leaders.

The Central Task of Leadership: Creating a Successful, Positive Leadership Culture

The Be the Boss Edition covers a wide range of leadership topics. An important aspect of leadership, for example, is fostering the right culture tailored to each company. To establish a successful and positive leadership culture, leaders must adapt to the changing demands of the business world. In the context of this
